Plusportals: By now all families should have received information about how to access your online plusportals account. This is the online system that allows you to view your student's grades and access information about their classes. Please check your spam if you have not received it. Let us know if you have any questions or experience difficulties logging in.

School Lunch Accounts: To set up your child's lunch account: Go to <http://riverview.pepinacademies.com/current-students/lunch-program>. Then go to the tab "setup your child's lunch account" follow the instructions. You will need your child's student number. Once the account is setup you may login using the following link: <https://secure.myschoolaccount.com/Login.aspx>

Uniforms: We have begun to issue dress code violations (lunch detentions). Please make sure you child is in the proper uniform each day. We are having the biggest difficulties with students being in the proper jackets and pants/shorts. The majority of our middle and high school students should be able to tuck in their shirts and wear a belt. As always we will make exceptions for those who have known sensory or fine motor difficulties. If you need uniform assistance please contact the school. Please review our dress code policies attached.
