**Books-A-Million Book Fair:** Thank you to all our wonderful Pepin parents and Books-A-Million! The Pepin Academies Books-A-Million book fair ends this Saturday, August 26<sup>th</sup> and so far the response has been overwhelming. In addition to the books our parents have been purchasing and delivering to the school; Books-A-Million delivered 563 books this Monday with more to come. We sincerely thank Books-A-Million for allowing us this opportunity. If you haven't had a chance to shop yet don't worry. We will be hosting the Scholastic Book Fair in September at the school. The profit from the book fair will be used to purchase more books and library needed items. Details coming to you after Labor Day!

**Wanted: Used sewing machines.** One of our staff members would like to start an after school sewing and crafts club. If you have an unused sewing machine taking up space in your closets please consider donating them to the school.
